## Prez Sez–July 2025

From the Desk of Roger Prior  
August 2025

As DCTRA makes it through another summer, remaining cool, hydrated and what else . . . spending time with our favorite **Triumphs** ☺ . . . what else? Speaking for myself the HFT battery tender is maintaining a healthy voltage. My Sun City garage is not climate controlled and can get pretty warm. Am sure many of you can relate.

Wanted to lead off with a **general housekeeping** note to DCTRA from myself. To review in brief last month (Saturday morning July 5) several of the club members received the same bogus email from me, basically requesting ‘this, that and the other’ of the recipients. My proper email was not used (red flag #1). Thank those of you who upon receipt of the emails immediately contacted me - by text - about the occurrence. When I read, I could sure tell they were not written by me, i.e., but to those unsuspecting might have seemed like they were legitimate. Please rest assured I will never contact DCTRA members with unusual requests. It turns out that this sort of ‘spear phishing’ has occurred with at least one of our fellow Triumph clubs in California, so as the expression goes ‘join the club’. Again, wanted to underscoring importance of the basics. **In General** - Try to *resist the temptation to open any suspicious emails*. OK will get off the ‘speakers corner box’. Have been to London once but did not visit Speakers’ Corner.

An extra special aspect of **Triumphest '25** is the 70<sup>th</sup> Anniversary of the TR3, of which DCTRA members have wonderful examples. Many have fond memories of how the first sight of a TR3 influenced them/us in untold ways. It seems like everyone has a special **TR3** story to tell and that makes it fun listening. Some stories are amazingly similar however; some remembrances are pretty unique.

Noted British writer Sir Ian Fleming really moved the TR3 (“ . . .dove-grey Triumph TR3 convertible with its hood down”) up a few notches in his 1959 novel ‘**Goldfinger**’(Fleming, 1959), the seventh in the series of James Bond thrillers. One of the fast-paced dramas in the novel begins as Mr. Bond attaches a tracking device onto Goldfinger’s Rolls-Royce Silver Ghost, and then follows the Silver Ghost through portions of Europe, only to discover the driver of the ‘dove-grey TR3’ is also following the Silver Ghost – but why? – one of the novel’s mystery’s. Moviegoers (release date 12/22/64 USA) remember the cinematic drama unfolding between the Aston Martin DB5, R-R and a Ford Mustang through Switzerland’s Furka Pass. Is too bad the TR3 was replaced by the Ford Mustang in the movie. The ‘dove-grey TR3’ is referred to 13 times in the novel. Will let you re-read ‘**Goldfinger**’ to find out why the driver of the **TR3** is also following the Silver Ghost. I would like to believe that the Fleming novel helped bolster demand for the TR3 to some extent.

Bonus this month:

A **Prize** will be awarded at a future monthly DCTRA meeting if the following **BONUS** question is answered correctly. **RULES:** The correct answer must be received during the month of August 2025. All answers must be sent to my correct email, for date of receipt verification purposes, no voice mail is allowed due to my hearing issues☺. You do not have to

attend the monthly DCTRA meeting/or be present to receive the prize. If the winner does not regularly attend DCTRA meetings – the prize will be mailed to you. The winner or winner's name (s) will be announced during the September DCTRA meeting. If more than one person has the correct answer, the winners will all receive the same prize. Am sure all printings will be the same but my copy of 'Goldfinger' is a well-read 1959 paperback, Twenty-Seventh Printing. **The BONUS question:** One Ford automobile is mentioned in the novel 'Goldfinger' – can you name the model?

Perhaps I ought to close out this month, with a tip of my black felt Bowler to the TR3. Keep driving your favorite Triumph as often as you can.

Roger

## EDITOR'S DESK

George M Montgomery  
August 2025

I didn't receive some of the material for this month's issue of the TRiumph TRumpeter until the 30<sup>th</sup> and some on the 31<sup>st</sup>. I try to send the completed newsletter to Dave on the evening of the 31 so he can publish it on the website by the 1<sup>st</sup> of each month. When I accepted this position of newsletter editor I made a commitment to have it out by the 1<sup>st</sup> so you would have plenty of time (two weeks) to read it, especially the prior month's minutes, to be voted on at the next meeting. This saves so much meeting time when we don't have to have the secretary read them.

There are times when I have held publishing the n/l when there was an event that happened on the last or next to the last day of the month. I felt it was important for the organizer of that activity have time to get their article written and photos organized.

There has been a couple of times in the past ten years that I was in the hospital or was otherwise involved and could not work on the newsletter.

But there have been too many times that most of the material wasn't received until late and I had to stay up late (1 or 2 pm) on too many nights. I'm getting too old for that. The problem is not having enough time to get the material you have sent me sized and formatted and inserted in its proper place. Getting the material pasted in place is only part of the work. It takes as much time to edit the material afterwards. It takes me anywhere from 48 to 36 hours to get this done, and I start on it as soon as the meeting is over.

I would like to have your material sent to me by the 20<sup>th</sup> or 25<sup>th</sup> of the month, please, unless you're reporting on an event held late in the month. I'd hate to get fired from this job. I enjoy it too much.

It is good to see Bob Holt attending our meetings again and that his health has improved to the point where he can work on his TR3 again. I chose a photo of Babe that I took several years ago, for the cover this month. I believe he is about to have it back on the road again.

It's going to be fun to see how our president, Roger, is going to turn out with his Bonus Game. I am anxious to find out the answer at our meeting.

I hope to see you at the meeting. George

## Desert Centre Triumph Register of America Business Meeting

July 8, 2025  
DCTRA MINUTES

The regular July meeting of the Desert Center Triumph register of America was called to order at 7:03PM by President Roger Prior at the usual location, Denny's Restaurant 3315 N. Scottsdale Road.

**Present were:** Jon Berges, John Carroll, Ron Gurnee, Armand LaCasse, Bob Mazer, Geroge Montgomery, John and Kathy Nuss, Pete Peterson, Scott Porter, Roger Prior.  
**Members Zooming:** Deborah Cooke, Carl and Patti Miller, and Jeff van Skike.

**The minutes:** as they appeared in the Newsletter were approved unanimously without changes or additions.

**The Treasurer's report:** was accepted without dissent.

**Membership:** Scott Porter reported 159 members with the addition of three new people: Clebe Best, Anthony and Lura Dymond.

**Newsletter:** George Montgomery was lauded for another great newsletter.

**Events Chair:** and Vice-president John Carroll reported the tri-fold flyers for distribution at October's Triumphest are printed and offered copies to members for immediate distribution.

**Possible future events:**

Commemorative Air Force event in November, drive to Alpine, AZ, drive to Titan Museum in Green Valley, visit Pima Air Museum and Mount Lemmon.

John suggested changing the meeting site which may give more visibility to the club. He also is working to have some tee shirts printed showing "Triumph" printed using the periodic table.

Under "events," Pete Peterson talked about driving to Triumphest 2025 in Buellton using non-Interstate roads. It includes an overnight stay in Victorville or Palmdale.

**Technical:** Armand LaCasse, presented information regarding engine flywheel weight. Then a discussion of flywheel weight and engine performance followed as well as conversation about engine rebuilding.

## Business Meeting Minutes (cont)

### Miscellaneous notes:

Bob Mazur and John Carroll shared information on cam shafts in their engine rebuilds.

Pete Peterson and Roger Prior shared notes on their sewing machine and upholstery interests.

Ron Gurnee said that Grundy Insurance was hacked and their online payment system was not working. The company said they expect the system to be returned to service in less than a week.

There was a reminder by Roger Prior to read emails and email addresses carefully. An email requesting assistance buying something made the DCTRA mail list. Roger does not need any gift cards.

Jon Berges shared his success story getting his TR6 running. Apparently, there was a problem with the rotor and distributor cap. After consulting with Mike at Delta Motorsports he was able to make the repair and is driving the car once again.

The meeting was adjourned to the parking lot at 8:05PM.

Respectfully submitted.

John C. Nuss secretary for one night,

# Usery Pass Drive

Article and photos by John Carroll

Not a major drive but something to do for the summer. 1hr drive along Usery Pass Rd near Saguaro Lake, and Bush highway with a stop at Phil's Filling Station in Fountain Hills. Didn't really plan it, just took advantage of the lovely weather this morning. A very pleasant drive.

Attendance from left to right:

The Aston Martin Vantage is mine. (John) Because of my recent knee surgery, I can't quite drive the TR6 yet, so I roughed it in the V8 Vantage.. 😊

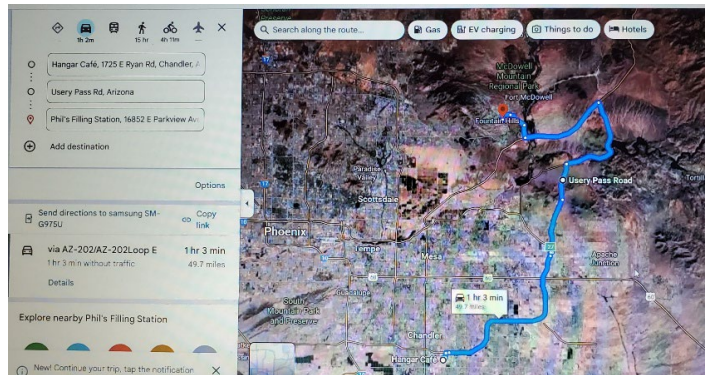

Michael Samuels and his 1963 TR4 that participated in the last two Copperstate Rallies.

Vince Vincent 1975 TR6

Mark Miller TR4

Craig Kenyon 1976 TR6

All are DCTRA members.

Thanks

# Triumphest 2026

## September 17-20, 2026

### Little America Hotel Flagstaff, Arizona

Greetings DCTRA Members:

Our Triumphest volunteer team member, John Carroll, has completed and published our tri-fold promotional flyer that we will be using to generate early enthusiasm for Triumphest 2026. John will have some copies to hand out at our DCTRA meeting on August 12th.

We will also be including this promotional piece in the goodie bags for attendees at Triumphest 2025 this October in Buellton, CA. Additionally, our Southern California colleagues will be giving us some podium time at their Saturday night dinner to generate interest in Triumphest 2026.

Also, John has been working on some Triumphest logo'd T shirts that we will be using to promote our event in 2026. Aside from selling shirts and other items to attendees, those of us attending Triumphest 2025 in Buellton, can wear our new T shirts and talk up Flagstaff in 2026. Other items that we will have for sale will be decided upon in a few months.

Overall, we are still moving slowly on Triumphest 2026 but will rev up our efforts right after the 2025 event in California.

Please block your calendars for September 17-20, 2026, and plan to join us in Flagstaff, AZ for a fun filled gathering. Registration will open this coming October.

Best Regards,  
Ron Cole  
Triumphest 2026 Chairperson

# BAOA Classic British Car Show / Rallye Announcement

by Randy Koontz

**Event:** 2025 Rio Grande Valley 35<sup>th</sup> Annual Regional Rendezvous

**Sponsor:** British Automobile Owners Association (BAOA), Albuquerque, NM

**Dates:** Friday, September 26, 2025, through Sunday morning, September 28, 2025

**Location:** Las Cruces, NM (with car event held in the historic Mesilla Plaza)

**Web Link:** <https://baoa.clubexpress.com>

I am a member of the BAOA and was very fortunate to have attended the 2022 Rendezvous event held in Taos, NM. The Rendezvous events are fun, and they provide a great opportunity to travel some of the beautiful backroads of New Mexico.

Per the BAOA website, the Rendezvous is “a weekend rally where we get together with both old and new friends for three days of dining and driving, sight-seeing, a car show, and overall British car camaraderie.” BAOA membership is not required to attend this event.

The scenic southern New Mexico roads near Las Cruces make for very enjoyable drives. I know, as I have driven them with Las Cruces based British roadster colleagues a minimum of at least six times. Since Las Cruces has an elevation of almost 4,000 feet above sea level, the weather is generally cooler than the Phoenix area.

If you enjoy attending car shows with Rallye's, then I would encourage you to consider attending this event. If you're into trailering your car, then I-10 might be the best route. If you enjoy driving your car to events, then you might want to join a “potential” caravan that may take mountain roads to avoid I-10 as much as possible.

If you think that you might be interested, please visit the BAOA website noted above for pictures of past Rendezvous events. If you review the pics from the 2022 event in Taos, you might recognize at least two DCTRA member cars.

More to come.....
