# Prez Sez—December 2025

From the desk of Roger Prior

The year has flown by as representing DCTRA as President, as this year's journey has arrived in December. Yes, I have spent time reflecting on the journey of 2025. I wish to thank those of you (and you know who you are) who I have relied on for your good council on club matters, club history, technical topics and in general, assisting me and helping move DCTRA forward during my first year as your President. You are DCTRA – a great group of Triumph enthusiasts, that chip in to help each other out on short notice throughout the year.

Bylaws News – The DCTRA Executive Board (listened and heard you) has been working on 'tuning up' the club Bylaws, i.e., to reflect flexibility in new locations of monthly meetings, and more. Please review recent email from Armand containing the revisions and plan on attending the Dec. 9<sup>th</sup> meeting as the revised Bylaws will be voted on by those present.

Hope to see you at the always festive and popular DCTRA Christmas Party, graciously hosted by Judy and Michael Samuels at their home on Dec. 14<sup>th</sup>. Time: 5 pm Please RSVP.

Please notice that DCTRA newsletter Editor George Montgomery really appreciated having club articles sent to him early in the month so he has the maximum time to assemble into the next month's fabulous newsletter. Our monthly newsletter is the most visible communications standard by which DCTRA broadcasts all club activities and attributes to the world. Let's continue to assist George by getting articles submitted by the 15<sup>th</sup> of each month.

I wish to thank those of you that participated in the 2025s Ninth Edition of British Wheels on the Green. The Arizona MG Club did it again! How good can it get? No need for the rain date, nearly 150 examples of Britain's iconic motorcars as well as fifteen trend setting vintage motorcycles (Sir Lawrence would want to ride them all), including 17 Triumphs in their best light. Once again DCTRA's own Randy Koontz, managed the very popular Valve Cover Racing Event and yours truly (Mr. 'Don't Quit Your Day Job' Prior) lent his voice to the announcements with the help of DJ Mr. Jesus Lynch. Five award plaques were received by DCTRA members Triumphs, and we contributed to this years' charity, The Joy Bus receiving the entire proceeds from the 50/50 raffle – a whopping \$3, 112.00. The generosity of DCTRA really helped The Joy Bus provide meal services for over 200 Joy Bus riders. To conclude, BWOOG was personally a great way to celebrate one's birthday. ☺

While we were awaiting our meal to arrive at Denny's prior to the business portion of October's monthly DCTRA meeting, a conversation was taken up by Ron Cole, myself and John Carroll regarding the 'first' British cars we had owned. After some animated discussion - John looked at us and said 'we ought to invite DCTRA members to share their personal stories, in written form, and send to George to be a monthly future article'. Ron and I agreed - and so an idea was born over awaiting our Denny's dinner.

The November *TRiumph TRumpeter* featured the first such story by member Carl Miller. Hopefully many such articles will be written by club members sharing memories of their first LBC. I encourage DCTRA members to reflectively think back, write up 'their story' and send to George, so he may publish in a future issue of our monthly newsletter. Thank you, John for your creative idea. By the way Ron and I shared stories of our first LBCs, can you guess? The correct answer will be located in this newsletter.

DCTRA wishes to give a collective thank you in advance to both Judy and Michael Samuels for volunteering to host our upcoming Holiday Party at their home. A very gracious invitation. The announcement details were provided in last month's newsletter – hope you have marked your calendars for Sunday, December 14<sup>th</sup>, and been considering the covered

dish you will contribute along with your 'gift' for the always fun and much anticipated 'gift exchange'.

Speaking of events, the annual DCTRA Brunch is right around the corner in January. Details will be provided soon, so stay tuned.

The answer is . . . drum roll please. . . Rootes Sunbeam Alpines (. . . of course). Ron and I will be elaborating in future issues of the *TRiumph TRumpeter*.

Keep driving your favorite Triumph as often as you can.

Roger  
DCTRA President

## EDITOR'S DESK

George M Montgomery  
December 2025

Thanks for sending me your information early. I appreciate that very much. Some items I didn't receive until late, but I can deal with one or two such items. It's when most everything, particularly large reports with 20 pictures, that give me trouble and take time.

I want to thank John Carroll for his efforts in arranging events and notifications. He has written many of the stories and reports here and has included the photos with them. That makes it easy to copy and paste into this format. Want a new job, John?

The cover for this month is my favorite configuration of a TR6. This beauty is currently on Facebook. I posted a complete story, some years ago, about a similar modified 6 in Germany. It was a Wedgewood blue or close to it. That Triumph aficionado had mated the rear hatch back to a TR6 with a factory hardtop to create what the British call a shooting brake. The term originated in the late 19<sup>th</sup> century for a wagon or carriage (called a brake) that was used to pick up guests and their luggage at a train station and deliver them to a country estate. They were later used to transport guests, on a hunting party, out to the country side, hence the shooting brake. It became popular in the mid-20<sup>th</sup> century to modify sports cars, some manufacture the style, into this configuration. Such was the Triumph GT6, or one of the Jensen Healey models. Jaguars, Porsches and other more exotic cars have been custom built like this. I would like to have a TR6 built like this with a Sandlin air conditioner and a Bose stereo sound system. Oh, wait. That's what I have with my Subaru, just without the TR badge. Sigh...

Don't forget to RSVP for our Christmas party this year on Sunday, December 14<sup>th</sup>. We have been invited to Michael and Judy Samuels house for this event. You'll find their invitation on a later page. Be sure to go to the website or reply to their email notice on the Triumph BBB and list what food you want to bring and whether you will be bringing a gift for the White Elephant exchange.

Later within this newsletter are our proposed bylaws changes. Please be sure to read them and be prepared to vote whether to accept them or not at our December business meeting.

There are a lot good tidbits of information that you'll want to read and study. This is an interesting issue. I hope to see you at the December 9<sup>th</sup> meeting so you can vote on these bylaw changes. We may vote on a new slate of officers for this coming year.

George.

## December 2025 Membership Report:

There were 27 attendees at the November 11th monthly meeting at Fate Brewing in Tempe. Attendance was ~15% larger than normal: this could be time of year, a different location, and regardless, it great to see in general. Lots of TR-6's in attendance, of the members that drove their Triumph's five were 6s and thanks to Dave R for driving his three! Feedback from the membership re: trying new locations for the monthly meeting has been positive as were the specific comments re: the setting, service and food at Fate Brewing. Looking forward to seeing the same successful turnout, if not larger, at the December Member meeting as well as at the December Holiday party at the Samuels. Finally, as mentioned in earlier member updates, we continue to have several pieces of Triumph memorabilia available in our TR merchandise inventory and as I work to improve/increase the assortment of items the currently available memorabilia are now on sale (~50% off) for the holidays! Grille Badges (\$12), License Plate frames, chrome or black, (\$7), TR Pins - 3 types (\$5), and DCTRA Patches (\$3). I will have these items with me at the December member meeting, or please email me with your order.

## **-MG & Triumph Clubs Mixer- Pre-Thanksgiving Event- November 22<sup>nd</sup> 2025**

By Toby Duffell MG Club & John Carroll VP DCTRA

Toby Duffell and his lovely wife Carol have an annual event hosted at their home in Tempe every November. The weather was kind enough to not rain this year until midafternoon. The stage was set for another enjoyable gathering and Toby asked if I would promote the event within the DCTRA. I was delighted to invite anyone who wished to join us. This was one of the first times both Clubs had joined together to support this event. I was delighted as we had a few Triumphs joining in the fun.

The Beautiful Home of Toby and Carol Duffell

The event was also catered by Toby and Carol with the help of all guests bringing a pot luck selection that made the buffet outstanding. The conversations and discussions were second only to us all introducing ourselves and indeed re-connecting as our Little British Cars had a super Play Date. All the cars looked quite happy.

Scott Macziewski, the AZMG Club President spoke to us all about the importance of how eager and excited he was to have the Triumph owners join in with these festivities. He then presented a few donated Awards for best in show and invited me as Vice President to offer some words also to the gathered crowd. I was asked by Toby to present an award for the Best in Show Visitor, (non-MG). I suggested next time, the MG folks have a judging crew for the Triumph vehicles and DCTRA crew to judge the MGs. It will promote more of an Interclub Event.

The prizes and awards were warmly welcomed and I chose to award the Best of Show Triumph to Philip Said who won for the creative ways he's modified his Spitfire and installed air conditioning no less. Amazing. Well done, Philip.

Lunch was served

After the lunch and awards, the clouds formed overhead and a few nervous folks broke early to get home before the afternoon rain showered everyone. All in all, a successful event and I encourage us all to embrace this new relationship and enjoy each other company.

The attendees from DCTRA were. Tony Chapman and Kelly TR6, Craig Kenyon TR6. Armand LeCasse GT6. Philip Said Spitfire, Keith Davis, Randy and Annette Kootz and yours truly, but alternative transport in Aston Martin Vantage. At least its British. LOL Apologies if I missed anyone.

# British Wheels on the Green

**Saturday November 1<sup>st</sup> Peoria, AZ**

By John Carroll VP DCTRA

This year's BWOG was well attended along with 145 cars and a good number of public visitors. Like previous years it was held at the Peoria Centennial Plaza, on lush green grass. A nice treat for our classic cars. The DCTRA was represented well and we had a great turnout with not only registered cars, but attendees also.

As the host organization the AZ MG Club, had a number of volunteers who stepped up to support the initial set up and operation of various activities. The popular Valve Cover Race has become quite the spectacle. And much to our excitement a DCTRA Member Mark Miller, won with his clever creative design. Congratulations Mark.

As organizers, the MG Club arranged for four BWOG Ambassadors to provide lighthearted entertainment as goodwill flag bearers, and wandered around the public answering any British Questions, such as "How long should one leave a Tea Bag in the hot water?". As VP, I volunteered to wear the traditional Goodwood White Overalls. It was a fun way engage the visitors.

A good time was had by all, and the beautiful sunny weather helped bring out the public to visit this annual event. There were a few main sponsors who generously gave their time to support this event, along with an eclectic mix of British Classic Cars.

As the day closed out, we reached the award ceremony. A packed and shaded auditorium saw several winners from the DCTRA registration group. A big shout out to everyone who attended with or without a Triumph. It was that effort that made this such a successful event.

# Fate Brewing November Meeting

Story and article by John Carroll, VP

Some pictures from last night. If you were there, you saw firsthand we had around 31 folks, which is one of the most popular turnouts. I gave credit to Kate, our server, who did an awesome job taking care of us.

It was very generous of Roger to ask the ex-military to make themselves known. We thank them all for their service. Perhaps make a list of each person, including yourself for the NL article. It's respectful to recognize those who served on Veterans Day.

It was a hit I would say, and we may well use this location again in the future.

Thanks

# The Royal Air Force Cadet Memorial

## Mesa Cemetery and Commemorative Air Force Museum Falcon Field

By John Carroll VP DCTRA

After a joint successful Triumph/MG car event in March this year, Alan Urban, the CAF Museum Director, asked if both clubs would like to participate in the November Memorial event as 23 families from England will fly to Mesa to attend this special event. With Toby Duffel as representative of the AZMG Club Roger Prior, DCTRA President attended this honorable and respectful ceremony at Mesa Cemetery on Sunday, November 9<sup>th</sup>, 2025.

Mesa Cemetery

L-R Roger Prior, John Carroll, Toby Duffell

The RAF/CAF Memorial event was so well respected by many organizations and attendees, and as a British and American Citizen I was proud and honored to participate. Toby is also a dual citizen. We were introduced to several of the British families some of whom had traveled from England especially to pay their respects to their fallen heroes. Around 2,000 very young cadets went through the #4 Training Group at Falcon Field, which was named by the British troops as a mark of respect to the Falconry they knew back home and to the majestic acrobatics of the Falcon Bird of Prey. In total, 23 young cadets gave their lives so others could live in peace.

Both the DCTRA and AZMG Clubs were represented, and laying a wreath in honor of these brave cadets was a proud moment for myself and Toby. We wanted to publicly thank Sharon Grey-Vehon, Chairperson of the RAF Cadet Memorial Committee for the invitation. It's not lost on me either I'm composing and writing this article on November 11<sup>th</sup>.

### THE STAR SPANGLED BANNER

— • • • —

O say can you see, by the dawn's early light,  
What so proudly we hail'd at the twilight's last gleaming,  
Whose broad stripes and bright stars through the perilous fight  
O'er the ramparts we watch'd were so gallantly streaming?  
And the rocket's red glare, the bombs bursting in air,  
Gave proof through the night that our flag was still there,  
O say does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?

### GOD SAVE THE KING

God save our gracious King,  
Long live our noble King,  
God save the King:  
Send him victorious,  
Happy and glorious,  
Long to reign over us:  
God save the King.

# 2025 DCTRA Charitable Giving

By Armand LaCasse, Treasurer

Thank you, everyone who voted at the November meeting to support our Charitable Giving.

This year I recommended we only disburse \$1000 due to reduced income and greater 2025 expenses. After discussing options, a motion was made, seconded, and approved to provide St Mary's Food Bank, and Andre House with \$500 donations.

Here is our charitable end-of-the-year giving history for the past five years:

**2024, 2023, 2022, and 2021** - \$1,500 total - \$500 each to:

- Andre House
- Hospice of the Valley
- St. Mary's Food Bank

**2020** - \$500 total to:

- St. Mary's Food Bank

# 2026 DCTRA Membership Dues

By Armand LaCasse, Treasurer

**I apologize.** Initially, the Executive Board, **at my request** agreed to suspend dues payment for next year, and I announced this dues suspension at the member meeting on November 11<sup>th</sup>. The Executive Board and other DCTRA leaders met on Saturday afternoon November 15, 2025, for an in-depth discussion about the future of DCTRA. We realized we need to collect membership dues for 2026 to support the growth of DCTRA. **I am sorry that I announced a decision we needed to change after deeper thought.**

We have not collected membership dues for five years. During this time, our main bank account balance has dropped by \$8000 from its highest amount. We want to invest in DCTRA to grow, and this now requires a positive cash flow. Additionally, we need to update our membership rolls to determine how many active members we really have.

**Membership renewal dues for most members are due in January 2026.** Long-term members have received value beyond their original membership expiration date, so their membership renewal date is also January 1, 2026. Members who recently joined DCTRA for multiple years, or members who have paid their membership dues in advance for more than three years, will probably have a membership renewal date beyond 2026. **Please contact Scott Porter, our membership chair, if you are concerned about the January 2026 membership renewal date.**

**Membership renewal dues are increasing.** It has been at least eight years since the dues' structure was updated. New and renewal membership dues effective January 1, 2026 are:

- One-year dues are \$40
- Two-year dues are \$70
- Three-years dues are \$100

Please complete a renewal DCTRA Membership Application so we can ensure our records are accurate. **The current DCTRA Membership Application is being updated, so please wait to do this!**

**We now accept Zelle for electronic payment of dues.** Please use your online bank account access to send money via Zelle. The DCTRA email for a Zelle payment is [Money@DCTRA.Org](mailto:Money@DCTRA.Org).

You may mail a check and your membership renewal application to DCTRA, PO Box 12100, Scottsdale, AZ 85267. (Please **DO NOT USE** PayPal since they take 6% of each transaction.)

Please ask one of the DCTRA officers if you have any questions.

# Proposed Bylaws Updates and Changes

By Armand LaCasse, Treasurer

Bylaws provide governing rules for DCTRA leadership and members. The Bylaws were last updated on May 8, 2018. Since then, DCTRA has evolved, and the Bylaws need to be updated to fit our current practices.

The Executive Board and a few members-at-large met on Saturday, November 15, 2025, to review DCTRA operations. This “DCTRA Tune Up” meeting generated many actions we can/will take to grow DCTRA. A few of the actions we identified require changing the Bylaws.

Please review the proposed Bylaws and be prepared to vote on accepting them at the December meeting. The proposed updates and changes were tracked so that you could easily see what was deleted and added to support the future of DCTRA. These tracked changes are in a separate file.

The material Bylaws updates and changes are:

- Article 4 Section 1 Update – Dues have been waived by the Executive Board (instead of the membership) every year starting in 2021. This update also allows the Executive Board to increase dues to meet DCTRA financial needs.
- Article 5 Section 1 Change – Remove the requirements to have a business meeting every month and always meet on the second Tuesday of the month. This change allows flexibility for member meetings to focus on activities that do not include a review of DCTRA business and are not restricted to a Tuesday evening. Occasional business meetings are still needed for membership involvement and approvals such as approving these recommended bylaws updates.
- Article 7 Section 2 Update – This update aligns the Bylaws with the current list of non-elected DCTRA positions.
- Article 8 Section 5 Update – This update aligns the Bylaws with the past President being a non-voting member of the Executive Board and not being the Chair of the Board.
- Article 10 Section 2 Change – This change adds Conflict of Interest reporting requirements and allows a member to receive payment for needed services to the Club with prior approval.

If you have any questions before our December member meeting, please ask me or one of the other Executive Board members.

**THE DESERT CENTRE TRIUMPH REGISTER OF AMERICA, INC.**

**Revised and Approved by a Membership Vote on ~~May 8, 2018~~**

**Article 1: Name and Location**

Section 1: The name of the Club shall be THE DESERT CENTRE TRIUMPH REGISTER OF AMERICA, INC. known hereafter as "DCTRA" or the "Club".

Section 2: The Club shall be headquartered in Phoenix Arizona.

**Article 2: Purpose and Objective**

Section 1: The purpose of the Club is to encourage the preservation of the Triumph car. This also includes social interaction among its members and stimulating interest in and safety of Triumph car motoring. The Club also strives to further member's knowledge of their vehicles.

Section 2 These Bylaws provide governing rules for DCTRA leadership and members.

**Article 3: Membership**

Section 1: Members shall be defined as those individuals or families who are current in dues payment, and are in good standing in accordance with these Bylaws.

Section 2: Any person who is an enthusiast of Triumph cars and who has submitted a properly completed application with the appropriate dues to the Membership Chair shall then hold a Regular Membership. Regular Memberships may be either by individual or couple membership. The cost is the same for either membership.

Section 3: There shall be no discrimination tolerated within this Club for consideration of membership on the basis of race, religion, color, occupation, age, gender or sexual preference.

Section 4: All members shall be bound by the Articles of Incorporation, these Bylaws, and other rules and regulations adopted by the Club.

Section 5: The payment of dues to DCTRA entitles the member to participate in all functions sponsored by the Club for that year.

Section 6: All membership privileges shall cease, and the member shall be dropped from the rolls if dues are not paid to DCTRA. In addition, members who for any reason cease to be members in good standing shall have no claim upon this Club, its properties, officers or funds.

Section 7: The Executive Board may expel any member for conduct unbecoming to the Club as a whole, such as, but not limited to, threatening the purpose and goals of DCTRA, endangering the health or well-being of others, and/or jeopardizing or otherwise damaging the reputation of the Club, its officers and/or its members.

#### Article 4: Dues

Section 1: Dues shall be payable to DCTRA. <sup>1</sup>The amount shall be established by a vote of the Executive Board. The membership will receive at least one month's notice about any dues amount change via the member email list and/or majority of the membership at a meeting following a notice of their increase posted in the Club's Newsletter.

Section 2: Dues are due and payable on the first day of January each new year.

Section 3: Membership shall end for failure to pay annual dues by March 31st of each year.

Section 4: All dues and fees are non-refundable.

#### Article 5: Meetings

At least two member meetings per calendar year will be designated as business meetings to conduct DCTRA business requiring member involvement.~~

<sup>1</sup> This update aligns with the current practice. The Executive Board has suspended dues payments each year starting in 2021. This update also allows the Executive Board to increase dues to meet DCTRA needs.

<sup>2</sup> This change allows flexibility for member meetings to focus on activities that do not include a review of DCTRA business, and are not restricted to a Tuesday evening. Occasional business meetings are still needed for membership involvement and approvals such as approving these recommended bylaws changes.

Section 2: A quorum for a ~~regular monthly member~~ business meeting shall consist of two-thirds of the membership or twenty (20) members, whichever is less. ~~Monthly~~ A member business meetings with less than twenty members in attendance may be held but no votes committing DCTRA to any course of action may be taken.

Section 3: The Annual Election Meeting and Brunch of DCTRA shall be held in January of each year, at which time the election of officers shall occur.

Section 4: Special meetings of the membership, when required for the discussion and resolution of situations affecting DCTRA for any purpose, may be called by the President and/or the Executive Board, or upon the request of ten (10) or more members. The purpose of a special meeting must be stated in a notification to all members and no other subject may be discussed at that meeting.

#### **Article 6: Executive Board**

Section 1: The government of this Club shall be vested in an Executive Board comprised of the President, Vice-President/Events Chairperson, Secretary, and Treasurer. An officer from the prior administration as outlined in Article 8, Section 5 may also be a member of the Executive Board.

Section 2: The Executive Board shall have the authority to ~~conduct~~ manage the business operations and ~~manage~~ the finances of DCTRA, and be responsible for control of the Club property in accordance with these Bylaws.

Section 3: The Executive Board shall meet at a time and place designated by the President. The President and the Secretary shall attend any Executive Board Meeting.

Section 4: A majority of the members of the Executive Board shall constitute a quorum for an Executive Board meeting. Meetings of the Executive Board shall be open to any Club member, although they may not vote.

#### **Article 7: Officers and Appointed Positions**

Section 1: The elected officers of DCTRA shall be a President, Vice-President/Events Chairperson, Secretary, and Treasurer.

Section 2: The President shall appoint members in good standing to fill the following<sup>3</sup> DCTRA positions such as: Newsletter Editor, Membership Chairperson, Triumphest Chairperson, Webmaster, Digger Davitt Award Committee Chairperson, Social Media/Video Meeting Chairperson, Technical Advisors, Historian, Arizona Automobile Hobbyist Council Representative, or any special committee.

Section 3: All officers of DCTRA must be regular members in good standing. Their term of office shall be for one year. At the discretion of the Executive Board a previous officer may become an ex-officio, non-voting Executive Board member for an additional year after their term in office has expired.

Section 4: A vacant unexpired term of office shall be filled by a vote of the remaining Executive Board members.

#### **Article 8: Duties of the Officers**

Section 1: The President is responsible for the overall operation of DCTRA. The President presides at all Executive Board meetings and has the power to call special meetings when necessary. The President also presides at regular-monthly-member business meetings. The President has the authority to fill all appointed positions.

Section 2: The Vice-President/Events Chairperson will perform the duties of the President in their absence. In the event of the President's inability to complete their term, the Vice-President/Events Chairperson shall assume the President's duties until elections are held at the next Annual Election Meeting. In addition, the Vice President/Events Chairperson shall develop and schedule all events involving DCTRA.

Section 3: The Secretary shall attend Executive Board meetings and regular-monthly-member business meetings including the Annual Election Meeting, record all proceedings, prepare minutes, and maintain written records. In addition, the Secretary is responsible for inter-Club correspondence at the direction of the President.

Section 4: The Treasurer shall have charge of all monies of DCTRA and maintain the financial records in accordance with accepted accounting principles. The Treasurer shall provide a monthly statement of finances

<sup>3</sup> This update aligns the Bylaws with the current list of non-elected DCTRA positions.

at the ~~regular monthly member~~ business meetings, and present all books and records upon demand to the President and Executive Board for review.

Section 5: ~~The Chair of the Executive Board shall be the previous years' President, or next highest-ranking officer of the a prior administration should the previous years' President not be available, may be an additional member of the Executive Board. The Chair~~ This additional member of the Executive Board who continues as a regular member of DCTRA shall act as a non-voting Executive Board member for ~~an additional year as long as needed~~ after their term in office has expired, ~~however the Chair~~ This additional member of the Executive Board may vote to break a tie.

#### Article 9: Election of Officers

Section 1: At the November ~~regular monthly business member~~ meeting, nominations shall be taken from the floor for all officer positions for the following year. Additional nominations shall also be taken at the December ~~regular monthly business member~~ meeting.

Section 2: At the Annual Election Meeting and Brunch in January, additional nominations may be made from the floor before nominations are closed. Thereafter the election of officers shall take place by secret ballot. Each member of a couple sharing a Regular Membership may vote. Write-in and absentee ballots may be used in the election process. Ballots shall be counted by a special committee. Or if only one nomination is made for an officer position, then a voice vote may be taken. The candidate receiving the highest number of votes cast for each office shall be elected to that office.

Section 3: The new officers shall assume their duties directly after being elected to their office.

#### Article 10: Disposition of Finances

Section 1: All dues and fees collected by the Club shall be disbursed for the expenses of DCTRA.

---

<sup>4</sup> This update aligns the Bylaws with the past President being a non-voting member of the Executive Board and not being the Chair of the Board.

Section 2: <sup>5</sup>At no time shall any officer or member of DCTRA receive any payment for ~~routine~~ services to the Club without prior approval of the Executive Board. Any potential personal conflict of interest between a DCTRA member and a service provider must be reported to and approved by the Executive Board before services are rendered.<sup>6</sup>~~Expense reimbursement requests shall be submitted to the Board and/or membership for reimbursement approval.~~

Section 3: The Club shall maintain at least one bank checking account for all monies received. Disbursements made on behalf of DCTRA shall be made through this-a DCTRA checking account. A petty cash fund of less than sixty dollars (\$60.00) can be established by the Treasurer for minor expense payouts with submission of a receipt.

Section 4: All checks written against DCTRA bank accounts shall be signed by the Treasurer or other authorized signer, ~~and if directed by the President, by another member of the Executive Board. Authorized signers may use electronic funds transfers for DCTRA business expenses with the Treasurer's approval.~~

#### **Article 11: Amendments**

Section 1: These Bylaws may be replaced or amended, or new Bylaws may be adopted, at any ~~regular monthly member~~ business meeting of the Club as required by Article 5, Section 2 provided the notice of revisions or replacement has been published in the ~~previous months member email list and the~~ Club newsletter.

Section 2: A copy of these Bylaws shall be made available to all members. The Bylaws may be examined at the direction of the Executive Board by a committee to determine if any revisions are necessary. This committee shall consist of the Executive Board and three (3) members at large.

#### **Article 12: Dissolution of DCTRA**

Section 1: In the event of liquidation, dissolution or abandonment of DCTRA, the President shall direct the Treasurer to pay any debts of DCTRA, liquidate or dispose of any Club property, and distribute all remaining

<sup>5</sup> This change adds Conflict of Interest reporting requirements, and allows a member to receive payment for needed services to the Club with prior approval.

<sup>6</sup> The current practice is the Treasurer reimburses routine expenses. Non-routine expenses are presented to the Executive Board members for review and approval.

funds to a charity, community chest, or organization under the provision of Section 501 (c) (3) of the Internal Revenue Code. No member shall benefit from any monies from DCTRA treasury.

Dear Fellow Triumph Travelers,

This GT6 bonnet is available at a wrecking yard in Ridgecrest, CA. I sent out a picture of it a few years ago and there was a modicum of interest, but nothing that panned out. A friend in Ridgecrest has located it again and is willing to pick it up and keep it until such time as it can be retrieved. I saw a goodly number of spectacular "Spit 6's" at Triumphest this year with this type of bonnet, so I know that there is interest. I hate to see this rare piece go to waste. Please let me know if you are interested, and I will pass it along.

**Subject:** GT^ Bonnet

After Triumphest I made my yearly tour of a local bottom-end wrecking yard in Ridgecrest. I rediscovered what appears to be a GT6 bonnet that I found several years ago and couldn't find again. See photos. If anyone wants it and is willing to pay me the actual purchase price, I would be willing to price it and then purchase it if the price is satisfactory. It would be stored (outside) at my place in Ridgecrest until some kind of opportunity turned up to transport it to the buyer. I'm not interested in making any money – just supporting the Triumph community. Let me know if you or anyone else has any interest.

I was cleaning out the garage and came across what appears to be a car bra for a TR6 earlier than my 1975 (perhaps a year where the front turn signals are above the bumper). If someone is
