## Prez Sez – February 2020

John Heisser, President

I haven't been president of any club since I was about ten years old, when I was president of the Fess & Longview Avenues Kids Club. The membership consisted of about 5 members it lasted just a few days and dissolved due to lack of interest after all playing was just more fun than having meetings. Since this club has been in existence for a number of years, I'm sure I won't mess it up too badly, especially with the knowledge and advice available to me from past presidents, other officers and long-time club members. When John Nuss called me a few weeks ago and asked if I would consider being nominated for president I thought I have been a member of this club for 11 + years and have only volunteered a few times at club events, so maybe it's time to step up and give back to this club I have enjoyed being a part of for so many years. There have been four presidents of this club since I have been a member, Stu Laswell, John Horton, George Montgomery and John Nuss all have served multiple times and have also served the club in other capacities as well. There are other club members who have volunteered to run the website, edit the newsletter, organized events, breakfast runs, day and over-night trips, tech sessions, etc. The reason I mentioned all of these people is that there will be several volunteer opportunities for club members over next few years, especially with our club hosting Triumphest 2021. So please consider volunteering your time and talents when these opportunities arise. Let's not only keep those Triumphs running, let's keep the club running as well.

On somewhat of a sad note, during the election brunch and meeting two long time members made announcements, John Horton said he was "retiring" from any official club activities but will stay an active member, John thank you for your many years of service to the club. Jim Bauder said that he was not renewing his club membership and was stepping away from the club. Jim, I and many other club members have had many nice conversations with you over the years you will truly be missed.

I'm not sure if everyone knows, but I was Triumph-less for about a year, had some spare time available so started looking for another car. About 2 months ago, I located a TR8 in Huntington Beach California, I contacted the seller who was the brother in law of the original owner. After a few phone conversations we made arrangements to meet, so I could look the car over and have a test drive. I flew over on a Friday morning, after inspecting and test drove the car I decided to buy it. After completing the paperwork and repairing the brake lights I headed home driving my new Triumph. To make a long story short, the 385 mile drive was uneventful for 375 miles the last 10 of the trip home was on the back of a tow truck. So much for that spare time I mentioned, I'm now starting my 3<sup>rd</sup> chapter of Triumph ownership let the adventure begin! Thanks,

John

## EDITOR'S DESK

George M Montgomery, Editor

I was pleased to hear that John Heisser decided to throw his hat in the ring for the much coveted position of president for this coming year. He won by a landslide. Congratulations, John.

I've visited and talked with him many times in the past. I feel he is going to do a great job. I just wish he'd bring his new TR8 to a meeting. He's afraid that it won't be pretty enough yet. After seeing his TR6 he may think we expect that same quality. I understand perfection,

but I want to watch it blossom from the “just bought it” stage to the “WoW!” stage. Like watching a rose bud blossom. Anyway, we’re happy for you, John.

With some of our new members that have joined lately, we have learned of a couple events that might be interesting. One is the Automotive Restoration Club of Sun City West. I know of two of our club members that are members there. It is a community based car club for all makes. The ARCSCW has a workshop complete with tools, equipment, workspace and a number of people who can give skilled help on your vehicle. Sounds like a good reason to move there just for that.

The second event is the Carefree Classic Wheels and Wings Show. I don’t any thing about it. Their event, however, is the same weekend as the Highland Games British Car Show. I’m anxious for our meeting this month. I want to see what our new president has to say. Don’t forget about the Drive you Triumph Day coming up February 10<sup>th</sup>.

George

## February 2020 Membership Report:

DCTRA Membership Chair, Marvin Miller

We have two new members and one returning member to announce this month. Brandon McClendon from Phoenix has joined with his 1973 TR6 which he retrieved from the Austin, TX area. Les Hardie of Carefree has also joined with his lovely 1959 TR3A. And former member Paul Dorman from Tempe has returned with his 1977 TR7. Let's all welcome these latest additions to the club and hope they enjoy their stay.

Along with these latest adds to the club, there are also some takeaways. Jim Bauder announced he will not be renewing his membership but may still come to visit occasionally at the meetings. Al Elisco also informed me he will not be renewing.

The annual Membership renewal drive is in full-swing. Thanks to all the many members who have renewed at the election brunch, through the website via PayPal, and the US mail. There are still several who have yet to renew, and reminder emails will be sent in mid-February. If you have forgotten what year your membership expires, feel free to contact me and I'll look it up.

Also in mid-February, a new Club Roster will be distributed. I have your contact information, but if you have recently changed address, other information, Triumphs, or wish certain info to be withheld, please contact me for records updating prior to distribution. Name, address, telephone, email, and Triumphs owned will be included in the roster.

I'll be seeing you at the February 11<sup>th</sup> business meeting.

# Election Brunch

Story by Editor. Photos by Charisse Montgomery

On January 12<sup>th</sup>, we held our Election Brunch at the Spoke N Wheel. They have very good food and excellent service. Thirty four people attended.

Charisse took these photos of the restaurant. The arriving assemblage waiting for all the guests. There photos of the members having dinner and the handing off of the gavel and our officers as a group. The last photos are of the cars and members as they exited.

# Meet Our Members

Article & photos by Riley Gay

I remember an Austin Healy Mk II Sprite that my dad used solely to drive to and from work. I was 13 or 14 when he got it, and it seemed pretty exotic compared to the family station wagon. When I got my license I got to drive the Sprite on occasion, and I loved taking the top down and tooling around Southern California with the sun in my face and the wind in my hair. The thought of someday having my own sporty English auto stuck with me over the coming years.

Fast forward to 1971, and I was 20 and between cars (mostly American or German metal) and happened to stumble upon an Austin Mini that someone had brought down from Canada. And for the princely sum of \$150, I claimed it as my own! It wasn't particularly fancy, but I had my first British car and I loved it.

I took it with me when I entered the Army and was based at Ft. Ord near Monterey. Sadly, the engine died, and I had to abandon it when, two or three days later, I was transferred to Germany for the remainder of my hitch.

After returning to the States, and resuming my college education in Arizona, I found a running and rust-free Triumph Mk II Spitfire that was, frankly, on its last legs. But it was cheap, and I was convinced that I could bring it back from the brink. It was a project that was to consume several years, numerous visits to various junk yards, and many bruised and battered knuckles. Along the way, I somehow acquired a Mk III Spitfire as well. A junkyard donor car served as a parts source for both.

An airline career, a wife and growing family all created a need for more practical transportation. So the sports cars were out, and the sedans and minivans were in for the foreseeable future.

## Meet Our Members (cont)

30 years later, kids grown and my career winding down, I found myself with time on my hands and thoughts of little British cars on my mind. A search through Craig's List turned up a 1972 TR6 close by. The paint and interior were good and it was Nevada-bought and Arizona-raised, so no sign of rust. I bought it before I realized that pretty much everything rubber on the car would have to be replaced and the engine needed some attention, as well. I was looking for a project, after all, and I certainly got one. That was 5

years ago, and most of the work is finished. But as just about anyone who's done it can tell you, restoring a classic British sports car is always going to be a work in progress.

And I wouldn't have it any other way.

## Drive Your Triumph Day

**From:** Rye Livingston <[ryel@mac.com](mailto:ryel@mac.com)>

**Subject:** DYTDMonday, 2/10. Join us, or do your own drive and photo

**Date:** January 23, 2020 at 11:18:33 AM MST

TTSCC members and friends,

Have you made plans to drive your Triumph on Monday, February 10th, for Drive Your Triumph Day? If you can't join an organized drive, take it for a spin to work, grocery store, wherever, and snap a quick photo. Even if your car is in hibernation or restoration, take a photo of it in your garage. Send photo to [driveyourtriumphday@gmail.com](mailto:driveyourtriumphday@gmail.com)

Better yet, join the drive I'm hosting which will be a fun drive in the Santa Cruz Mountains, ending at Burger in Santa Cruz which of course serves yummy burgers, along with salads, sandwiches and wood fired pizza, and of course for Roger, they have an extensive BEER selection!

We'll meet in Los Gatos behind Great Bear Coffee, 19 N Santa Cruz Ave, Los Gatos at 9:30, depart at 10am.

The route - take HWY 9 to Saratoga, then up HWY 9 up and over Saratoga Gap, heading down towards Big Basin. Part way down from the summit there is a big turnout and viewpoint, plus bathroom. It's not very far into the drive, but a great spot for a group photo and pit stop.

From there we'll proceed down HWY 9, then continue on 236 into Big Basin Park, looping back to HWY 9 in Boulder Creek to Ben Lomond to Felton. Right turn and up Felton Empire Road to the summit, then left turn on to Empire Grade down past UCSC into Santa Cruz. Before getting to lunch, we're going to make a loop down to Natural Bridges State Beach Vista Point. If we're lucky and not many cars in the parking lot, we'll have another sweet photo opportunity. Then down West Cliff Drive to BURGER on Mission Street <https://www.burgerlovesbeer.com>.

Even if your Triumph isn't running, join us in your back up car.

Sign up on the TTSCC calendar  
at <http://www.triumphtravelers.org/Activites/actperp/activityList.php>.

Rye Livingston  
Activities Chairman  
Triumph Travelers Sports Car Club

Editor's Note: I don't think any of us have the time nor want to take the time to drive up to the Santa Cruz Mountains. But we could drive somewhere as a group, or individually to someplace and meet. Maybe this is something our new Events Chairman could handle? Or drive someplace on our own, like a recognizable place or a grocery store here in the valley. (Ha, I think I can hear those mag wheels spinning now.)
