## Prez Sez – January 2024

John Heisser, President

Since it is the Holiday season, and everyone is busy, this column will be brief this month. First, I would like to thank Tonya & Layman Scherer for hosting our annual Christmas Party for the second year in a row. What a fantastic venue for a car club Christmas Party! I'm sure there will be an article about it in this newsletter with lots of photos. I took lots of photos of all the cars in this collection because I only had on a few from last year.

All the Club Officers have agreed to serve for another year! Thank you for keeping this club running smoothly and making my job easier. I wanted this to be my last term. However, there were no nominees, and I didn't want the club to be without a president. But this is definitely my last term.

Hope you all had a wonderful Holiday season, and best wishes for the New Year! Hope to see you at the Election Brunch on January 14<sup>Th</sup>.

Thanks, John

### EDITOR'S DESK

George M Montgomery, Editor

I hope everyone had happy times through the holidays and ready to start on this new year of 2024. It's hard to believe this century is almost quarter over.

Do you have your new year resolutions listed out yet? Some folks say they don't make new year resolutions because they just break them or cease to want to keep them up. That may be good for them if they feel they don't need upgrading but for myself I need a lot of improvement in my habits and goals. Sure, I may break them, I'm not perfect, but I like to keep trying. I've never been one to give up too easily. I don't make my resolutions public. They're private, and if I do break or give up on them, well that's private too.

I hope everyone enjoyed the Christmas party. I want to thank Layman for offering his facility for that event. I also want to thank Tonya and all who participated in the decorating, food preparation, etc. for such an enjoyable evening. Armand did a superb impromptu job as the emcee for the gift exchange. My only regret is that I have to wait almost a year to have that much fun again.

I received many photos for the Christmas party. I lost track of who sent which ones and couldn't give proper credit. Some of them were labeled as to the subject, some were not. I tried to match them up. Some of them were a little fuzzy, but it's tough to get a good exposure when everyone is running around wanting to look at cars, fixing something to drink or eat or sneaking a peak at the presents. Some were quite clear, composed and obviously "professionally" done. In any case, I'm glad to receive all that are sent and appreciate their efforts.

Sunday evening I started experiencing trouble with the MS-Word program I use to compose this newsletter. Only half of photos that I copied and tried to post into the N/L document would appear. On some pages a title I tried to enter would only show on the right half of the page, even though I had setting configured for single column. It turned out there were some coding that got embedded somehow and were only found when I did a search for

such coding. Anyway, through Dave Riddle's help we got things straighten out this afternoon, and now working reasonably well. Don't you just love Microsoft products?

Remember, we will not be having a normal business meeting at Denny's this month. Rather we will be having our annual Installation of Officers and Brunch meeting at the Phoenix Grill; 5816<sup>th</sup> St; Phoenix, AZ 83016 on Sunday 14<sup>th</sup>. The time is from 11:30am to 1:30pm. I don't know whether the meeting will be Zoomed or not but I hope that I will see you there.

## January 2024 Membership Report:

Happy New Year to all DCTRA members!

We have four new members to announce again this month. Deborah O'Brien of Scottsdale with her son Collin from Los Angeles have joined with their 1970 TR6, which they are working on to return to the road after a lengthy bit in storage. Also joining in December are Jeffrey and Cathy Potter of Phoenix with their 1978 Spitfire.

Name badges have been ordered for our newest members from the last few months. Look for them to be available soon.

The membership list now shows 149 memberships with 207 members.

DCTRA club leaders have agreed to waive annual membership dues for calendar year 2024 for all current members in good standing, as outlined in the December newsletter. All memberships expiring calendar year 2023 or later have been granted one additional year of membership. Membership expiration dates have been adjusted (pushed out 1 year). If you would like to know what your current membership expiration date is, let me know and I will look it up for you.

It has been my pleasure serving the club as Membership Chair these last seven years. I have gotten to meet & greet several interesting characters and friends. Taking over this position beginning in January is Scott Porter. I, and I'm sure the rest of the club, want to thank Scott for willingly taking on the responsibilities of the job. As we make this transition, look for his contact information to appear soon on the website and in the newsletter.

# DCTRA Christmas Party 2023

Article by George M Montgomery

Photos by various members

On December 10<sup>th</sup> a number of DCTRA members gathered at the garage, workshop and museum of Lyman Scherer. We were there for the 2022 Christmas party. If you missed these events, you missed an occasion that was a wonderful, fascinating venue. That is if you are a car person and enjoy viewing vintage and classic cars. The camaraderie of DCTRA members was extraordinary as well.

# 6RX Tour 11-30-23

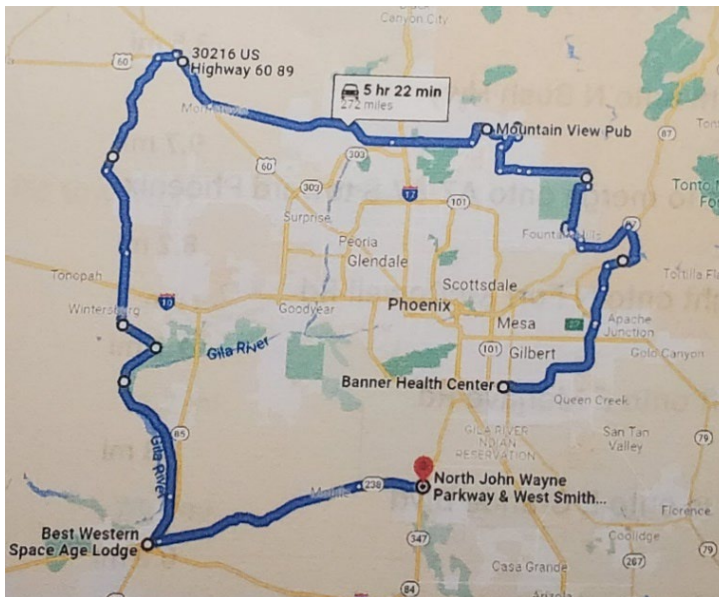

Article by John H Carroll

Photos by Roger Prior, Craig Kenyon & John Carroll

And so, it began again. The original idea was born out of a coffee morning discussion between two DCTRA members, who's recent car engine repair meant a "bedding in of his engine" and to avoid a risky 3hr+ drive to the mountains around Phoenix. The thought was how about a drive around Phoenix? While remaining within a AAA distance of being towed, should anything untoward happen, and preferably without too much anxiety.

So, get the maps out and start planning a route. From that premise was born the Six River Crossing (TR6RX). And as the beauty of the Desert revealed itself, six major rivers surrounding the Valley of the Sun was conceived. Six Rivers I hear you say... Yes indeed. despite the desert floor this 335-mile tour would take a counter clockwise circle drive around central Phoenix, to Cave Creek, West to Wickenburg and South down old Highway 80 to Maricopa.

The basic plan was to head East and drive through the Usery Pass across the Salt River, onto the Beeline Hwy 87 and the Verde River, head West to Wickenburg across both New River and Agua Fria River. Gas up and cross Hassayampa River before heading South to Gila Bend and crossing over Gila River. We discovered that we crossed the Gila River twice, so technically a 7RX, but it doesn't fit with our cars, so Six it is.

The initial meet at Banner was encouraging with a good selection of cars arriving and discussing the route as we handed out waypoint directions. What we really needed was a breakfast burrito food truck, but it's a Medical Center parking lot, so there is that to consider.

Heading East on 202 we turned off at Brown Rd and on through Ellsworth Rd, to the Usery Pass and Bush Hwy. However, being a British car run the luck ran out almost immediately as a TR6 leading the pack lost a hanger strap for the exhaust muffler, and dragged it along Ellesworth road for a mile, before we all turned into a side road. "Ok

boys where's all the tools?" As this was Craig's car, he didn't waste any time, and before the 30mins was up, we were on our way again.

Craig Kenyon demonstrates extemporaneous road side repairs

Taking in a first pit stop at Pebble Beach, yes, it is called Pebble Beach recreation area, Onward to the Beeline Hwy and N Fort McDowell Road.

After a lively morning run through Fort McDowell Regional Park and some stunning golf courses, winding our way pass Troon North, Whisper Rock, Legend Trial and Mirabel, we arrived 30mins ahead of time at Mountain View Pub & Grill. 2years before we did this same run and Armand LaCasse decided to test out his high-speed turning capability and lost out to a center median in the grill parking lot. This time, he was very cautious and didn't damage the 2-year-old replacement front lower and upper arm suspension. Nice job Armand. Lunch was excellent and we had quite a turnout.

Departure from the pub lunch was around 13:00hrs, and we went onto Carefree Hwy, and West along AZ-74. [Crossing New River & Agua Fria River]. A quick trip along US-60W and time to gas up in Wickenburg, where sadly the one gas station we chose didn't have a functional loo, or WC for clarity. A quick Recon by the military division, discovered a secure location behind a dumpster. Relieved, we pressed on. Taking the traffic circle at Wickenburg Way and heading South.

The trip along Vulture Mine Rd was a fun trip through the Ghost Town and Vulture Cemetery. Who would have thought? We didn't stop to witness any ghoulish presence and continuing toward Old Hwy 80 towards Arlington. Time was pressing us now and we crossed over the Gillespie Dam Bridge to admire the historic bridge and take some photos, only to find our second luck ran out as the clouds went very dark and it started to rain. Cue, the panic to erect the convertible tops on almost every car, with a substantial amount of cursing any naval sailor would be proud of.

the weather had worsened along with the darkness. We carefully made our way back to Maricopa and departed our separate ways.

Is this Santa from Uranus or from the Orion Galaxy?

All in all, a 335-mile memorable trip for our 45–55-year-old cars, all them smiling when they got home safely.

# Another Complimentary Additional Year of Membership!

By Armand LaCasse, Treasurer

DCTRA has had another great year! We are financially sound thanks largely to hosting Triumphest and all of the members who made this event a financial success. We again want to thank our members for their efforts and share our club's success.

The DCTRA Executive Leadership Team decided to provide another complimentary year of membership. President John Heisser, Vice President Roger Prior, Secretary Mary White, and Treasurer Armand LaCasse agreed we can easily afford to do this again thanks to Triumphest 2021.

### The details are:

- **DCTRA will not collect any membership renewal dues in 2024.**
- **Every member as of December 31, 2023 will have one year of membership added to their membership expiration date.**

If your membership would have expired in 2024, now it will expire in 2025. 2025 membership expirations move to 2026. And 2026 membership expirations move to 2027.

Please ask one of the officers if you have any questions.

# Drive Your Triumph Day

## Saturday, February 10, 2024

Dear Triumph Enthusiast,

Drive Your Triumph Day is just around the corner on Saturday, February 10, 2024. I'm Rye Livingston, a proud member of the Triumph Travelers Sports Car Club located in Northern California, and I wanted to extend an invitation to all Triumph and Standard owners worldwide to join us in commemorating Sir John Black's Birthday. This visionary individual orchestrated Standard's acquisition of Triumph post-World War II, paving the way for the incredible cars we cherish today.

Since its inception in 2016, Drive Your Triumph Day has gained remarkable traction. I've received hundreds of photos from participants across the globe: England, Scotland, Ireland, Wales, New Zealand, Australia, South Africa, Uruguay, Netherlands, Germany, Switzerland, Finland, Canada, Holland, Czech Republic, and the USA. With this year's event falling on a Saturday, I'm hopeful that we'll have even more participants!

Participating is easy – on February 10th, take your Triumph or Standard out for a spin. Whether it's a solo drive on a scenic country road, a leisurely outing to lunch, or a commute to work, seize the moment. Bring along your spouse, friend, child, grandchild, or even your furry companion, and take a photo. The focus should be on the car, ideally with the owner or passenger situated against a cool backdrop, landmark, scenic vista, or even in your driveway. If it's the middle of the winter where you live and your car is in hibernation, or in the middle of a restoration, take a photo of it in the garage. Embrace creativity and have fun with it!

Once you've captured the moment, email a high-resolution photo to [driveyourtriumphday@gmail.com](mailto:driveyourtriumphday@gmail.com), accompanied with some basic details: owner's name, year and model of car, and place photo was taken (city, state, country). The photos will then be published not only in our club newsletter and website, but also in USA's national magazine: Vintage Triumph Registry, and on the Drive Your Triumph Day Facebook page.

Feel free to spread the word by forwarding this invitation to other Triumph and Standard Owners and Clubs you may know of. Don't forget to reach out to your club's Activities Chairman and Newsletter editor. Be sure to contact me with any questions you may have, and thank you in advance for getting the message out to your members and friends to drive their Triumphs & Standards on February 10th.
