# Prez Sez – October 2017

John Nuss, President

It is over! We have reclaimed our living room, guest room and garage! Many thanks to all who made it possible by planning, working, and attending. All at the same time it was fun, rewarding, frustrating, and not necessarily restful. Automotively it was a success. The Herald went on and off the trailer easily and the Spitfire behaved well driving to the event and driving home.

The Presidents' Meeting went well with reasonable discussion. Those present believe we came up with a good solution in light of the ability of the various clubs to participate. Triumphest will be in Sacramento in 2018 and return to Santa Maria in 2019. There will be no Triumphest in 2020; DCTRA will host the 2021 event. Since there are three clubs participating, the San Diego group unable to host, alternate years seemed the best choice.

Our suggestion to have ask for help from VTR was not received well. Two California clubs have hosted Triumphest in connection with VTR said it doubled the work of the local group. They were quite upfront about that and agreed that it seemed VTR made demands and the club members did the work. I was glad that with two members of VTR in the meeting, they spoke so forthrightly.

In our own club, it is time to consider officers for next year, a location for our Christmas party and choices for any charitable donations.

Take every opportunity to drive your Triumphs.

John

## EDITOR'S DESK

George M Montgomery, Editor

I think this has been one of the best Triumphest ever. But, then, I sometimes do have a short memory. I enjoyed it anyway. Jack ran beautifully up to Flagstaff and back again. He even ran well during the autocross at that high altitude and not even adjusting the carburetors, I, however, could not stay on course, kept missing pylons and gates. I won 3 DNFs! I should have arrived earlier so I could walk the course. That used to help, but I was younger then. With Jack's new paint he did look good, didn't he?

Most everything went smoothly, at least was taken care of immediately so that any interruption was minimal and few noticed any difference. I heard a lot of comments of how well organized and managed the whole event was. There were a lot of positive feedback. I think the Steering Committee: John and Kathy Nuss, Bo Shaw and Mike Blachut did an excellent job of organizing this event as well as all of the Committee Members: Dave Frisby, Bob and Mary Holt, Armand LaCasse, Pete Peterson, Chuck Kerzan and Mary White, Bo and Laureen Shaw, Chris and Ann Hansel, John Reynolds, Craig Kenyon, Pam Rineholt and Dave Riddle. Good show folks.

This has been a lot of time and effort and I hope no one got too burned out. Under the new system of Triumphest hosting rotation that President, John writes about in his Prez Sez column, above, we get to do this again in 2021. Rest up!

The 1936 Gloria Southern Cross is owned by a good friend of mine, Duncan Wood, Red River Triumph Club. I have known Duncan since the early '80s when our Central Oklahoma Vintage Triumph Register would have a joint meet just north of the Red River, the border between OK and TX. We had some good times there. I have always enjoyed meeting with Duncan and his wife Shiela. It was a real treat to see them both here at our Triumphest.

I look forward to seeing you at our next business meeting October 10th.

George

## FOR SALE:

Beautiful, shiny black 1952 Triumph Renown; right hand drive, three speed transmission. The interior is tan with refinished wood on the dash and window surrounds. It appears to be an Arizona car with no rust on the undercarriage, no evidence of severe fluid leaks on the car or the floor of the garage. There are some bubbles in the paint on the left hand rear door, and the chrome is not perfect in that same area. The car started and drove smoothly around the neighborhood. The brakes, being drum brakes, took more effort than one might be used to, but seemed appropriate for the year of the car. The owner believes the the condition and rarity of the Renown makes her price \$19,500.

The car is being sold by a family friend, Don Johnson 602-931-2959, in Arizona
